PRESIDENTS' REPORT

“In Like a Lion, out like a Lamb.” Bring on the Ides of March. Get ready for St Patricks Day. Ready or not here we go for a 31 day month. Did you pay your IRS taxes yet? If you owe give them your old coins and paper money that is worth the least. LOL.

Now, on to business. In February we officially elected our three officers. The position of Secretary is still open for the taking. Currently I, (the president) am

doing double duty. I hope you like the monthly "Moneygram Newsletter. I never or rarely hear from anyone so I must be doing great right? I just wish I could get the Newsletter out sooner in the month. It is hard to make a new early one right after a late 4th Wednesday of the month meeting. Anyway, please give me any suggestions and constructive criticisms. You can even Google or YELP ratings me Ha ha.

All three of the officers remained the same in their respective positions. Micheal Turrini swore at us; I mean swore us in and he also committed the members in the audience as well to support us and the club. Thanks Mike.

We had good eats again as the members must be still on their New Years resolutions and bringing in mostly healthy food items. We did have a few salads and Dominos pizza as well. Light on the sweets too this time. We Nusmitists must stay healthy so our coins can age with us too. We are like a fine wine. We get better and richer with time.

At our February meeting we had 18 members present and two guests. The theme was "Romantic Coins" and four members did show and tells. Our Treasurer, Scott G gave us a full health report of our finances and we are doing good and in the black. Our upcoming August 18th Fairfield Coin show has been prepaid (\$1,200), our ANA club membership has been paid(\$60), and our annual rent to the church has been paid in full for the rest of the year (\$660).

The next big thing upcoming is the joint Fairfield and Vallejo coin clubs event called "Commemorating and Connecting Together," This event is celebrating Fairfield's 500th club meeting which was officially at this past February's meeting and also celebrating Vallejo's 65th anniversary as a club. The event is being held at the Vallejo Florence Douglas Senior Center on Sunday April 7th from 11 a.m. to 3 p.m. It is Hawaiian themed and costs \$15 dollars. Checks can be made payable to the Fairfield Coin club. Our mailing address is the Fairfield Coin Club P. O. Box 944 Fairfield, CA. 94533 so far approximately 40+ members have signed up. The Mayors of both Cities have made that day an Official Proclamation. Wow! *** If finances are tight, I, the President am willing to pay for up to 4 members to attend this event. Let me know (#707-761-9752) first come, first serve.

This will be a great event that you don't want to miss. There will be 40 silver eagles given away as door prizes. There will be bingo, a joint club coin raffle, a 50 / 50 drawing, and delicious food to enjoy. See you there. Tell a friend and pass this important information on. Thanks.

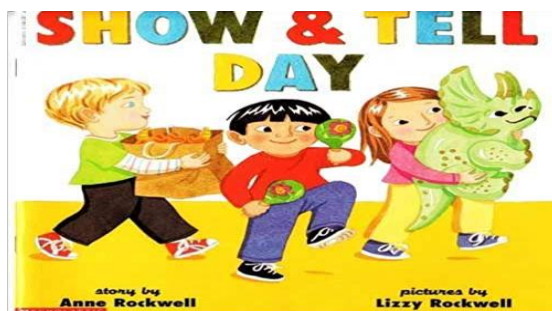

Don't forget, both clubs are committed to supporting the experimental program "Coins for A's and B's." This student educational program started by a club in Texas and it is slowly growing and now it is our turn to try it and see if it works and can get new young numismatics into the hobby. This program is for middle school to high school students who attend one of our local coin shows and show their report card to a representative i.e. Micheal Turrini or another club member volunteer. All A grades will receive an "Ike" dollar coin up to a \$6 dollar per student if they have received straight A's on their report card. If they received a B grade then they receive a Kennedy Half dollar. If you would like to donate a few Ike dollars or Kennedy Half dollars to this cause please see a member at one of our next club meetings.

Don't forget, Fairfield Coin club dues are still due. Only \$10 dollars for adults and \$5 dollars for children. Please see the Treasurer or Secretary. Thanks.

One last thing, for April's meeting we will be doing "Marks Challenge." That is a big auction where all members bring in at least one item or more of approximately \$10 dollars in value to have auctioned and the proceeds or the item goes into the "Christmas Jubilee Box" which is the second part of the 50 / 50 prize at the Joint Christmas party. It is a lot of fun and many times worth more than the ½ cash from the 50 / 50 raffle. This just in.....our coin show raffle tickets are now in. We will issue some of them out at our upcoming meeting. Please take a hundred or more to sell as this is where we really make the money from a coin show.

Food, Kids Club, door prizes and auction donation items are always welcome and appreciated.
