PRESIDENTS MESSAGE:

FAIRFIELD Coin Club's President Report from October 25th, 552nd meeting.

Well, 2023 is coming to an end. Next year is a LEAP year. Cool.

Our October 25th Coin Club meeting was a good one in case you missed it. We had another excellent crowd attending tonight's Pizza and BINGO (8 games for a silver round). We also had our annual "Bid or The Jubilee Box" auction where we brought in \$223 dollars to go into the box, which is our second prize at the Joint Christmas Party's 50/50 raffle drawing. With Vallejo's \$201 Bid or Box contributions and donations collected all year so far it is becoming a very valuable prize to win.

Next month is our last Coin Club meeting. We will raffle off a turkey along with all our other raffles and door prizes. Should be a lot of fun. Enjoy the upcoming holidays however you \$pend them. Be safe and sane. Don't overspend. Don't pay interest debt, save your money, and let it pay you interest. Don't forget to consider becoming an officer as we will have nominations for President, Vice-President, Treasurer, and Secretary. Don't forget to buy your Joint Christmas club dinner tickets and raffle tickets if you can't make it.

I hope most of you can make it out to our last Fairfield Coin Club meeting of the year. Keep the hobby alive and make more and more memories. We will raffle off a turkey for some lucky winner and have good food to eat. Join us for the fun and bring a friend.

Don't forget that this Saturday is the Vallejo CSNA Numismatic Seminar all day at the museum. Lots to see and learn. Also, a week later is the Joint Christmas dinner. You do not want to miss that either. Let's end the year strong. Best wishes to you all.

Enjoy the holidays starting with Thanksgiving.

Gobble, Gobble, food and football.. LOL.

Ciao for now! David Trimmingham, President

Our own Michael Turrini has again been published. He is famous for his 2 articles in recent Coin World Magazine. His articles bring to the forefront the importance of supporting our clubs (as he does so well) and expanding our impact and interaction with other area clubs. Ask Mike about his articles. Would you like to write and submit an article. You, too, could be published.
