Presidents Message: Thanks to you all for being coin club members in our club as well as other coin clubs. We must continue to support this hobby. This year has flown by and next month November 2018 is our last one of the year so don't miss it. Stay involved. Bring others into the hobby. Write letters to your local newspapers editorial section and say something positive about medals and coins. Have a wonderful October as the seasons change. Don't forget to set your clocks BACK! Don't eat too much candy and remember to brush your teeth. LOL Start getting ready for our 500th coin club meeting which will be in February 2019. Let's brainstorm some special things that we could do at this meeting. Maybe a raffle for 500 pennies, nickels, dimes and quarters?? What do you think of that? Fairfield Coin Club began in 1973 to current 2018 = 45 years ... Please support our Joint Christmas Clubs party on Saturday December 1st. Make payments payable Lloyd Chan. Best wishes.

September's SHOW & TELLS

There were (6) six of them. First up was Scott Griffin who recently back from his Santa Clara Coin Expo talked about San Francisco Chinatown and 30g PANDA minted silver coins.

Micheal Turrini spoke on Exposition Medals from the 1962 Seattle Fair.

Richard Bluhm talked about an article published in the Numismatic News on page 50 regarding tokens made in limestone, cement, and bronze. One design was even a Fairfield coin club 2002 Bronze that Micheal Turrini had helped create. Cool!
